

About Us

Rota Pack is a custom machinery builder for the Food, Cosmetic, Drug and other Industries. Applications include liquid and solid products, food and industrial items. Our custom built, sanitary grade lines will package dairy products, ice cream, dipping sauces, salad dressings, granulated and frozen foods and many more.

Rota Pack brand industrial packaging machines process commercial grade viscous products for household or industrial use.

We look forward to the opportunity to discuss your project needs with you at any time!
